**James Cook**, owned and run by Ocean Youth Trust N E, is the only sail training vessel based in the North East of England. Built and adopted by the people of the North East she receives a warm welcome in ports from Iceland to the Baltic, Holland to Hull.

Since her launch in 1987 she has taken nearly 12,000 young people to sea. Whether on a short coastal trip, The Tall Ships' Race or adventure sailing to the Arctic Circle, the effect of a voyage on **James Cook** is always remarkable.

The visiting crews come from every background. They may be school children or young adults from local youth groups; they might have suffered burns, brain injury or be cancer patients, or they could be young people supported by our region's deaf and blind charities.

Ocean Youth Trust N E delivers safe and exhilarating experiences to young people aged 12 to 25 years. Experiences that change lives, create futures and have even built careers.

Please contribute to the £200,000 it costs us to operate **James Cook** every year and allow Ocean Youth Trust N E to provide free and subsidised berths to the most deserving. The Friends scheme offers you this opportunity for a few pounds a month. We hope you will support us by completing the attached standing order form, or calling 0191 257 1212 for more information. In return you will receive privileged access to special offers, plus regular updates on how your money is being spent and the positive effect it has on young people's lives.
